RECORD GCSEs

THREE schools in *Pulman's Country* — The King's School, Axe Valley Community College and The Woodroffe School — reported record GCSE results last week.

Axe Valley Community College in Axminster set a college record as 80 per cent of GCSE students achieved at least five A*-C grades, compared to 76 per cent last year.

Headteacher Martin Smith also saw 62 per cent of students achieve at least five A*-C grades including English and maths, which is in line with the college's target but below last year's record of 65 per cent.

Mr Smith said: "I am delighted that we have maintained the very high standards we set last year and managed to set some new records as well.

"We are all very proud of the fact that 80 per cent of our students achieved five A*-C.

"I am also delighted with the performance of our most able students.

The number of A*s has risen sharply and reflects the high academic standards being achieved by students at Axe Valley.

"Congratulations to students on these wonderful results.

"They have been a special year group to work with; they developed a superb camaraderie and worked exceptionally hard, supporting one another all the way. Parents have played a huge part in supporting students through the challenge of exams.

"I would also like to thank staff for their professionalism and commitment to providing the very best education for our students."

Among the highest performing students were: Kelly Gould (five A*s, three As, one B), Oliver Bond (five A*s,

AND BEN MIDDLETON**

three As, two Bs), Harry Bailey (five A*s, one A, three Cs), Alice Doherty (four A*s, four As, two Bs), Bethany Richards (four A*s, three As, two Bs), Emma Tristram (three A*s, three As and three Bs), Emily Tredrea (three A*s, two As and five Bs), James Morbey (three A*s, five As, one B, one C), Laura Coombs (three A*s, seven As), Melissa Serle (two A*s, seven As and one B).

A college spokesperson added: "Standards have risen significantly in many key areas.

"For example, new records have been set for students' average point score, which is up to 465 from 394 in 2010.

"This reflects the fact that students are not only achieving better grades but also taking more exams than in the past."

Pupils and staff at The King's School in Ottery St Mary were also celebrating as the school posted its best ever set of GCSE results.

In a joint statement headteacher Faith Jarrett and chair of governors Edward Bloomfield said: "The 2011 GCSE examination results are the best ever for The King's School and we are particularly delighted as these follow on from the exceptional A-level results announced recently.

"The data shows that a fantastic 86 per cent of students gained five or more GCSEs at A* to C and 80 per cent reached the gold standard of five or more A* to C grades including maths and English which is another significant improvement in results.

"Students excelled across the board with 36 per cent of all grades being A* or A and 60 per cent of all grades being

A* to B.

"We are thrilled that 62 students achieved five or more A* and A grades and 98 per cent achieved at least one A* to C grade which is our best result ever.

"Many, many students have met or exceeded their target grades in a wide range of traditional courses which coupled with the 100 per cent pass rate for the vocational courses represents some outstanding individual and collective achievements.

"With 53 per cent of all students meeting the gifted and talented thresholds this shows that the students are really prepared to challenge themselves to excel.

"These outstanding results are obviously the culmination of a great deal of hard work by the students supported by their teachers and families. This level of success certainly gives the students an excellent platform to now move into further education or employment."

The Woodroffe School in Lyme Regis also boasted a GCSE record.

No less than 88 per cent of students achieved at least five A*-C grades, a feat labelled "the best the school has ever seen".

The result also means the school recorded a percentage above 80 for the fourth year in a row.

The new GCSE benchmark figure of five GCSEs (including English and Maths) came to 71 per cent.

Headteacher Dr. Richard Steward: "This is an excellent set of results.

"I am delighted to see that the school has sustained its high levels of attainment and it is a pleasure to see so many superb individual performances.

Top milk win

A HUSBAND-AND-WIFE dairy farming team from Musbury won the top prize at this year's Milk Link Milk Hygiene Awards (Producing Less Than 500,000 Litres Per Year' category).

Richard and Gillian Harvey were commended for their standards of cleanliness, tidiness, attention to detail and animal welfare, whilst their recorded milk quality was deemed to have been of the highest hygienic standards.

It achieved an exceptional annual average bactoscan result of 5.1 and a very low cell count of 51.0, beating all other contenders in the category.

Milk Link is a UK-wide dairy processor, 100 per cent owned by British dairy farmers.

The winners were invited to a special ceremony, which formed part of Milk Link's open member meeting at Sandy Park Conference Centre in Exeter.

Phil Cork, head of membership for Milk Link, said: "As with previous years, Milk Link members have shown that they produce the highest quality milk in the country, which is why we are so proud to have these farmers as members of Milk Link."

"We would like to congratulate the Harveys who have demonstrated that consistent attention to detail is the key to success."

Social club vows to challenge EDDC's refusal over noise

By ANDERS LARSSON

anders@indienews.co.uk

AXE Vale Social Club and its management are determined to challenge East Devon District Council's (EDDC) decision to refuse planning permission.

It is hoped that the results of an independent noise test will count in the Axminster club's favour.

As previously reported, the club wishes to provide three flats on its upper floors, build three maisonettes by demolishing its rear hall and build a flat over the current skittle alley.

A communal garden area is also part of the proposal.

The project would inject cash into the club and a go a long way to secure its long-term

future.

In addition, the new homes would provide the town with what is known as 'affordable' flat lets.

But planners fear that noise from within the club, such as music, would be too noisy for the tenants of the proposed new homes.

Planners recommended refusal and EDDC's Development Management Committee turned down the club's planning application on Tuesday, August 23rd.

The independent noise test was carried out the week before, but the results are not yet known.

Because of that, a number of people suggested the application be deferred until the results are known.

Although not a member of the Development Management Committee, Douglas Hull is a member of EDDC, and he

was among those suggesting deferral.

District councillor Hull said: "It is ridiculous to come to a decision before [the noise test results are known]."

But the application was heard and a decision to refuse the application was made. Axe Vale Social Club secretary John Howard-Greaves said the planning application process has been going on for about 18 months and is not over yet.

When asked if the club will challenge the decision, he said: "Yes."

It is understood this can be done either by lodging an appeal or to resubmit the application when the noise test results are known. The club is working closely with a developer, but the planning application is in the club's name.

Mr Howard-Greaves added: "We've got a lot of support from the developer."

Road closed as three fire crews fight 'accidental' building blaze

FIRE FIGHTING appliances from Axminster, Colyton and Lyme Regis attended an incident in Axminster on Thursday, August 25th.

The appliances were despatched to Castle Hill at about 3.20pm to a report of smoke issuing from a building.

A spokesperson for Devon and Somerset Fire and Rescue Service said: "The fire involved a range of outbuildings divided into four compartments."

"Sixty per cent of roof and compartments were severely damaged by fire."

"Fire crews used six breathing apparatus, three hose reels, one covering jet and the thermal imaging camera."

The spokesperson added that the fire is regarded as accidental but the exact cause is not known. Police officers also attended to assist with traffic management, including a road closure. Police said there had been no injuries reported.

Alpaca farm given a yes for building

HOLLY Tree Farm-based Dreamfield Alpacas in Northleigh has been granted permission to build a permanent agricultural workers' dwelling of approximately 160m² internal floor area plus a double garage and office.

As previously reported, planning officers recommended refusal when the application was heard in January because they felt that the financial viability of the enterprise had not been adequately demonstrated.

Financial viability must be demonstrated to stand any chance of gaining planning permission because of countryside protection rules.

The company disagreed with the officers' findings and members of East Devon District Council's (EDDC) Development Management Committee deferred the matter for 18 months to enable further trading and give the company a chance to demonstrate clear profit as outlined by EDDC.

Committee members also said there would be no enforcement action against a temporary home on the site for which permission had expired.

The application was back before the committee sooner than expected — this time with the support of planning officers, who felt there was enough evidence to demonstrate financial viability.

The committee met on Tuesday, August 23rd and the application was approved.

Kirstie's miracle mums

◆ **KIRSTIE Allsopp, second left, is pictured at her Broadhembury home with the winning mums**

KIRSTIE Allsopp welcomed five winning mums to her home in Broadhembury, celebrating their success in a UK-wide competition.

Earlier this summer — in connection with the launch of a Persil product — Kirstie Allsopp launched the search to find the UK's Unbeatable Miracle Mums — mums who manage to achieve mini-miracles with their kids every day.

Each of the mums were chosen for their creativity and unbeatable skills when entertaining the kids, whether that be arts and crafts, gardening or cookery.

The five winners visited Broadhembury on Wednesday, August 17th and were treated to a grand tour of Kirstie's home, a craft masterclass with Kirstie and lunch.

On top of that, they've won a family holiday each and a year's supply of the product too.

Trust praises fundraising day helpers

DEVON Air Ambulance Trust has praised everyone who helped make a recent fundraiser at Pecorara, Beer, a real success.

An open garden charity day at Pecorara on Sunday, July 17th raised in the region of £500 for the BBC Radio Devon Air Ambulance Appeal.

Pecorara has a long history of active support for the trust, and the funds raised over the years exceed £10,000.

The recent fundraiser provided an ideal opportunity for Devon Air Ambulance Trust volunteer coordinator Debbie Collingwood to meet visitors and sell tickets for the Air Ambulance Grand Summer Draw.

Visitor numbers were swelled by the guest appearance of the Rt Honourable Ann Widdecombe MP, who enjoyed her visit and officially brought into service the newest set of coaches on Beer Heights Light Railway.

Debbie Collingwood also enjoyed her visit and said: "We are so grateful to all at Pecorara for their fundraising efforts over the years."

"The artistic talents of the face painters has been in evidence throughout the day."

"We have met some lovely people, including ex-patients and those who may join us as volunteers."

"Our thanks to everyone who came along to support the day."

River Cottage security plans

By **ANDERS LARSSON**
anders@findlenews.co.uk

RIVER Cottage hopes to beef up security at its Park Farm headquarters in Musbury.

A planning application has been submitted for permission to construct a 100sq m building that would serve a number of purposes.

The building's principal use would be as a storage facility but it would also accommodate a site security control office, for example.

The application is submitted by HFW Interactive and explains that Park Farm is a working 60-acre organic livestock farm, which was redeveloped in 2005 to serve as headquarters for the River Cottage enterprise.

The River Cottage television show is screened around the world, and the farm hosts popular workshops and classes.

But site security — along with a need for more storage space and improved delivery drop-off and farm management office facilities — have

been identified as priorities.

In application documents, the applicant's architects explained: "These elements have, over the years, started to create site management problems and therefore a simple farm building built to take onboard these issues is the principle behind the application."

"In addition to the lack of agricultural storage, the major factor in proposing this building has been site security."

"The buildings, including the house and offices, have experienced several

break-ins including burglary of the cookery school and regular damage.

"Vandalism and burglary to visitors' cars parked at the top of the site has become a concern."

"Controlling unauthorised visitors and deliveries whilst providing security to the site at night is a top priority for the continued smooth operation of an otherwise successful rural operation, which creates business, tourism and employment in the area."

East Devon District Council will make a decision in due course.

OPEN SOME HOURS

Devon County Council reveals opening times for area libraries following recent cost-cutting announcement

By **ANDERS LARSSON**
anders@tindlenews.co.uk

DEVON County Council's (DCC) library service has revealed the new opening hours for each branch as part of a cost-cutting exercise.

As previously reported, an opening hours proposal was revealed earlier in summer that would save up to £850,000 in a full year.

Together with other library service changes, council bosses say up to £2million a year can be saved.

In terms of time, there were some winners and many losers.

Libraries in Axminster, Colyton and Ottery, for example, lost anything from six-and-a-half hours to nine-and-a-half hours of opening time a week.

Honiton Library, on the other hand, gained half an hour a week and was also promised a refurbishment and new technology.

Council bosses have since stressed that the promised refurbishment of Colyton Library will go ahead despite the cut in opening hours there.

The overall proposal went through

the relevant process and a DCC spokesperson said on Wednesday last: "Early openings and lunchtime openings feature in DCC's new plans for libraries because that's when people have said they want to use them."

"The new times, being announced across the county this week, will reflect the public's pattern of usage, and have been designed fairly to satisfy the majority of library users."

"Where reductions in hours have had to be made, the council has looked at the least busy times."

"The new times follow extensive public consultation this year that drew over 8,000 responses, which told the council when people like to use their libraries and how they would like to in future."

"Many library users said that they would like earlier opening than the current 9.30am start, and for some libraries to remain open over lunchtimes, so that people can fit in visits with their lifestyles."

"Others said that they sometimes use more than one library, and so in areas where there are a cluster of libraries relatively close by, the council has designed the new times to

complement each other.

"The changes to the schedule mean that, unlike in other parts of the country, no libraries in Devon will close, despite significant cuts in government funding."

"Considerable savings within the service have had to be made though, which led firstly to a management restructure to reduce costs, and to an overall review of the service to redefine opening times with actual patterns of library usage."

"Together, the measures are saving the council up to £2million in a full year."

Councillor Roger Croad, the Cabinet member with responsibility for the library service, added: "We are committed to our library network which is why we are protecting them to keep them open, and continuing our £10million programme of investment to improve the service."

"Thank you to the many thousands of people who responded to our consultation, because we have used their responses to help us keep the service open at times when people most use them, or would like to use them in future."

"We will monitor the usage against

the new opening times and will make adjustments where necessary."

The new opening times will be implemented from Monday, September 26th to Monday, October 3rd.

Each library will display its new timetable and a summary of all branches is available online at www.devon.gov.uk/libraries.

The new opening hours for selected libraries in *Pulman's Country*:

Axminster Library: Monday 10am-1pm, Tuesday 10am-6pm, Thursday 10am-5pm, Saturday 10am-1pm.

Colyton Library: Tuesday 2pm-5pm, Thursday 10am-1pm, Friday 10am-12noon, Saturday 10am-12noon.

Ottery St Mary Library: Monday 10am-5pm, Thursday 10am-1pm, Friday 10am-6pm, Saturday 10am-1pm.

Seaton Library: Monday 9am-5pm, Wednesday 9am-6pm, Thursday 9am-5pm, Friday 9am-1pm, Saturday 9am-1pm.

“As ever, students have worked incredibly hard and one can only admire the commitment and determination of those young people who manage to achieve high grades across such a broad range of disciplines.”

There were some outstanding individual performances with a host of students gaining impressive sets of A* and A grades: Scarlett Down achieved six A*s and the equivalent of five As; Josephine Rapson de Pauley three A*s and the equivalent of nine A grades; Robert James three A*s and the equivalent of eight As; Kristian Beckers four A*s and the equivalent of seven As; Michael Bond four A*s and the equivalent of four As; Esmeralda Voegele-Downing three A*s and the equivalent of six As; Daniel Beckers two A*s and eight As; James Dunford two A*s and seven As; Isobel Scrafton two A*s and six As; Hollie Dascombe one A* and 10As; Amy French one A* and seven As.

For the second year running, the GCSE results at Honiton Community College has placed the school amongst the top 25 per cent of schools and colleges in the country.

Glenn Smith, principal at Honiton Community College, said: “Congratulations and well done to the 2011 cohort.

“For the second year running the performance of our GCSE students has placed us amongst the top 25 per cent of schools and colleges in the country.

“Honiton continues to go from strength to strength; our success is testament to the hard work and commitment of our governors and staff, supported by the stronger links between parents and the college.

“I am very proud of our young ladies and gentlemen; many of whom will be returning to continue their studies with us in September.”

Almost half of the grades awarded at Colyton Grammar School turned out to be the top A* grade. To be precise, 49.5 per cent of examinations, all taken a year earlier than is usual, received an A* grade.

Also, 86 per cent of grades were either A or A*.

Students will now go on to study a broader than normal sixth form programme, including five or more A-levels, the English Baccalaureate A-Level Diploma, work experience and personal development opportunities as part of the school's three year sixth form.

Headteacher Paul Evans said: “It's pleasing to see that students have taken GCSE in their stride and that they are now ready and eager to move on to the challenge of A-levels in September. These GCSE's are the result of hard work by the students, supported by their teachers and of course their parents, and will compare very favourably with similar schools nationally.

“With every student achieving five or more A*-C, including English, maths and science and with more than half of students achieving five or more A* grades, every student should be congratulated on their personal achievement and success.”

Lea Boucher, Riordan Deehan-Jackson and Sophia Lovett formed a formidable trio, each achieving a clean sweep of A* grades in all 11 subjects they took.

The following students each achieved 10 A* grades: Alice Chilcott, Annie Wallace, Charlotte Sanders, Elisabeth Cooper-Germescheid, Ellie Green, Jaq Harverson, Laurence Constable, Lizi Evans, Louise Duncan, Rachel Royle, Sam Zhang, Sarah Bosworth.

If you come down to the fete today...

THE Annual Hawkechurch Village Fete Week featured a jam-packed programme of events throughout the village.

Running from Sunday, August 21st to August Bank Holiday Monday, the extended week is described as the highlight of the village calendar.

Among activities and attractions were a car treasure hunt, live music at various venues, a beetle drive, a family rounders match and much more.

As the week came to a close, organisers upped the tempo by staging teddy bear parachute jumps from the church tower as part of last Saturday's programme, a dog show, a quiz and a songs of praise service on the Sunday.

Bank Holiday Monday saw what many consider to be the highlight of the week, Hawkechurch Village Fete, which included a parade of vintage tractors.

Slades' promise to stay in town for now at least

◆ PETER and Sarah Scott-Allen, managers and owners of Slades Countrywise in Honiton are pictured with staff members Alex Cook, Heather Lockyer, Bridgete Dennett, Christine Baily

By BEN MIDDLETON
ben@tindlenews.co.uk

A HONITON business has confirmed that it is staying in the town — for a while longer at least.

Slades Countrywise has been based in the east Devon market town since the 1930s.

Supermarket chain Aldi had planned to move onto the site at the Turks Head Corner of Exeter Road, however, its plans have been put on hold so Slades will be staying put for a while longer.

Peter and Sarah Scott-Allen, the managers and now owners of Slades, said: "Eventually we will have to move but for the foreseeable future we will be staying put.

"The business has evolved constantly even from the very early years as a general merchant. The current business trades as a pet food and pet accessory shop together with one of the largest ranges of wild bird foods and feeders, and also sells small holder poultry and farm feeds and associated equipment.

"We want to relocate this side of the business when we need to, but the

good news is that there is no rush at the moment." As well as selling pet food and accessories Slades also stock and sell coal.

"We have good loyal customers and with the help and support of our suppliers we can be really competitive for specialist pet feeds only available through shops like ours," said Mr Scott-Allen.

"We have a lot of customers coming from all over east Devon including places like Axminster, Seaton and Sidmouth. There has been a lot of uncertainty for our customers lately but we want to show them that we are committed to Honiton and give them some stability."

Peter and Sarah say they are currently on the lookout for a site in or close to Honiton where they could relocate the business once Aldi has finalised its plans for the town.

Mr Scott-Allen said: "If there are any potential sites in Honiton I would be really interested to hear about them. Also if anyone has a site close to Honiton that we could use then get in touch."

To contact Mr Scott-Allen call Slades on 01404 45966 or email peterscottallen111@btinternet.com.

'Happy' trio

A TRIO has decided to "bring a bit of happiness to Honiton businesses".

The trio consists of East Devon Business Centre, Business Information Point and Cosmic — and the plan is to offer free advice on IT-related subjects.

Cosmic has recently moved from Ottery to the business centre in Honiton.

Cosmic's business and operations manager, Kate Doodson, explained: "Once a month, East Devon Business Centre will host Happy Hour — free hour-long briefings on a wide range of business and IT subjects including social media, understanding your brand, customer excellence and digital marketing.

"Happy Hour is aimed at helping small businesses keep up-to-date and an opportunity to meet informally at the end of a week."

The first Happy Hour club starts on Friday 7th October, and will run from 3pm–4pm.

Now a word from Fresh Expressions about pruning. Any gardener knows that there is little point in planting if you are not also willing to prune at the right season. Churches and denominations find it far easier to start things than to stop them.

"As it was in the beginning, is now and ever shall be," is not just part of a prayer, it has become a way of life. But Jesus spoke of the Father removing branches that bear no fruit and pruning those that bore fruit so that they would bear more. The same message is right today.

Anna Norman-Walker, Exeter Diocesan Missioner, talked to Rachel Matthews about a shared vision for mission in a mainly rural area of almost 600 churches. The latest audio material is available at www.freshexpressions.org.uk/ondem and.

Global Day of Prayer (GDOP) London is calling on churches across

the nation to pray for lasting peace in their cities. The organisation says there is a 'spiritual emergency' after the 'catastrophic' violence and looting. Street Pastors' founder Les Isaac said there has never been a greater need for Street Pastors and he has asked church leaders to "stand alongside us" on the streets.

Meanwhile, Youth for Christ's Gavin Calver praised the young Christians who have been cleaning up streets and supporting victims of the riots. In Birmingham, Methodists joined with community representatives calling for peace after the deaths of three men. The City Road Methodist Church is only a few yards from the crime scene. Some 5,000 people were at a peace rally opposite the church.

A real life story of two Anglican priests, who acted as 'Schindlers' and helped Jews escape Austria during the Second World War by baptising them into Christianity, has just been told. The British clerics 'converted' 1,800 Viennese Jews in 1938, hoping that their baptismal certificates would help them cross into surrounding nations. Reverend Hugh Grimes and Reverend Fred Collard carried out the baptisms while they were in charge of Christ Church in Vienna. Historian Giles Macdonogh and artist Christopher Wentworth-Stanley have been researching the mass baptisms for a decade. Now the two priests' brave operation is on record as a 'heroic chapter' by the Suffragan Bishop of Europe, David Hamid.

New trophy duo to remember stalwarts

UPOTTERY Flower and Produce Show saw two new trophies introduced at this year's event.

The new trophies — the Lionel and Annie Tucker Rose Bowl and the Ann Bartlett Trophy — were donated by the families of show stalwarts who passed away in the last year or so.

Prior to the event, which was held on Saturday, August 20th, show

chairman Jim Thomas explained: "Lionel Tucker and his wife, Annie, supported the show from the very first one 49 years ago with Lionel having served on the committee from the start, finally as chairman.

"Their family have given us the Lionel and Annie Tucker Rose Bowl which will be awarded to the competitor gaining the most points in the flower arranging classes.

"Ann Bartlett was another stalwart supporter of the show who for many years acted as a collection point for show schedules and entries and anything else that needed doing, always willingly and with a smile.

"Her family have given us the Ann Bartlett Trophy to be awarded for the outstanding exhibit in the vegetable classes." This year's show took place at Upottery Manor Room.

Fundraising memory gig

A FUNDRAISING concert is set to be held in Honiton this November.

The Joanna Leach Memorial Recitals, in aid of Hospiscare, will take place at St Paul's Church on Saturday, November 26th at 7.30pm.

The concert will feature international Steinway artist Andreas Boyde on piano.

Liz Tirard, one of the organisers of the event, said: "The event is part of a series of recitals in memory of Joanna Leach who died earlier this year and was a notable pianist, who latterly was much involved in playing and recording square pianos.

"She had a long friendship with Andreas Boyde and we are very fortunate to have an artist of his calibre performing in Honiton. This particular concert, and one following in March next year, are specifically to raise significant funds for Hospiscare, as Joanna was cared for superbly by the hospice in her last few days of life."

Tickets will be on sale from Saturday, October 1st, and cost between £10 and £15. They will be available from the Honiton Tourist Information Centre, or by calling 01404 43716.

The show will take place on Tuesday, September 6th, at 7.30pm, at Colyton Town Hall.

Tickets are on sale from Colyton Pharmacy and cost £6 for adults and £3 for under 18s.

RYA Shorebased Training Courses At the Axe Yacht Club

RYA - Day Skipper : Shorebased

A comprehensive introduction to cruising for inexperienced skippers.

This course equips you with sufficient knowledge to navigate around familiar waters by day. A basic study of lights, pilotage, coastal navigation, tides, collision regulations and knots is included. You will learn to use the RYA chart plotter, which will give you a realistic insight into electronic navigation.

RYA - Coastal Skipper / Yachtmaster : Shorebased

This course will equip you to navigate safely on coastal and off shore passages.

It allows some time for revision of the basics and then moves on to advanced navigation techniques. As with the Day Skipper shorebased course, the RYA's specially designed chart plotter will be used during the course to develop your skills in modern electronic navigation.

RYA - VHF Radio Course

A short specialist course leading to a Marine Radio Short Range Certificate.

This qualification is required by law if you operate a VHF radio fitted with Digital Selective Calling (DSC) on any British Vessel fitted with a radio. The radio is an important piece of safety equipment on board and it is vital to understand the correct procedures. Unnecessary or incorrect transmissions could block a vital Mayday distress call or result in your call failing to get the response needed.

RYA - Diesel Engine

A one day beginners' course to help you prevent and solve diesel engine failure.

Mechanical failure is the main cause of rescue call-outs to all boats. Basic maintenance and engine care will help ensure that you are not part of this statistic. Learn how your engine works, how to keep it healthy and how to get it started again in the event of a breakdown. Most engine problems can be avoided by taking simple precautions - and you don't need detailed mechanical knowledge.

Written by countryside correspondent
TONY JACKSON

Otter watch is launched

NEWS that otters have returned to every county in England, is locally reinforced by an announcement from The Donkey Sanctuary, near Sidmouth, that it is launching an otter watch in response to signs of otters in the River Sid which flows through the sanctuary.

The prints and the remains of half-eaten eels have been found and staff are now watching out for further confirmation that these water weasels have returned.

Meanwhile, there is good news from Upton Heath which suffered such an appalling heath fire earlier this year.

Despite the damage, a pair of hobbies have returned and raised three chicks. These handsome little falcons, resembling miniature peregrines, are incredibly agile in the air, catching swallows, swifts and dragonflies, of which there is an abundance at Upton Heath.

The hobbies will migrate to Africa toward the end of September or even into October, and visitors may still be able to spot them on a warm evening as they hunt in spectacular fashion for prey.

Meanwhile, reader Sarah Chapman, who lives on the outskirts of Axminster, has told me that far from swallows being in short supply this year she has had more nests than usual.

Nine nests from a dozen have been occupied, with several double broods. Certainly, despite the solitary nest, double brooded at least, in my barn, the sky has been filled with dozens of mature and young swallows and martens in recent days, gathering as though for an early departure south.

Sarah also tells me that she has a few greenfinches, the first for a long time, more starlings than usual and a huge population of sparrows. I, too, can confirm no lack of sparrows but I have yet to see a greenfinch this year.

Despite a dubious weather forecast and heavy rain the night before, the splendid Melplash Show enjoyed sunshine throughout most of the day, only rounded off, as the day ended, with a torrential downpour. But by then, the huge crowds were dispersing, having enjoyed what I always claim to be one of the very best of the region's country shows.

There is, as George Streatfeild, this year's president said in his programme message, a unique feel about the Melplash Show. It embodies the essence of a real country occasion and, I always think, has a charming laid-back feel. Indeed, one might be in a time-warp reverting back 50 years or more.

The crowds were vast and the main arena events, which never run on time, kept everyone enthralled, whether they were watching Bob Hogg rounding up ducks with his sheep dogs, show jumping or the ever popular parade of hounds.

There were scores of trade stands, livestock judging, ferret and terrier racing, falconry, tractors, prize vegetables in the horticultural tent — including some vast onions, maize and carrots — a cookery demonstration and country food galore — including, to my great joy, a stand with scallops, squid and mussels... and as for the pasties and Chucklehead Cider...

Bounded by the River Brit, its banks now smothered in the wretched Himalayan balsam, and West Bay Road, the Melplash Show is constrained in size but makes use of every inch of ground, proving ample parking and, to my delight, a tractor-drawn trailer, organised by the Young Farmers' Club, which conveyed car-borne visitors from their vehicles to the entrance gate and back.

A great occasion and a meeting point for all the locals. The country may be in the grip of an economic downturn, riots may have soured our image, but this show, and others like it, restore one's faith and hope.

BLACK IS BACK

Musician and writer Steve returns with new rock musical Biggles Flies Undone

STAGE

AFTER a number of years, Steve Black is staging a new rock musical at The Guildhall in Axminster on November 2nd, 3rd, 4th and 5th.

The script is written by Steve and the music is written by Steve and Mick Hawksworth, with whom he collaborated on the last production — They Came From The Stars.

The show will be a unique event as it will not go into the public domain for other productions. It is strictly a one-off week.

All the profits are going to Hospiscare, a charity close to many of the people involved in the production.

A five-piece rock band will be providing the live music for the show, some of whom are members of the band Corporal Henshaw.

With a full PA system, lights, special effects, a wonderful set and a brilliant cast, Biggles Flies Undone will be a production to remember.

The show is set between the two world wars where an uneasy peace rests over Europe.

Biggles has started his own chartered airline and on the day in question gets involved in the finding of a missing professor who has developed a propellant that would, if it fell into the wrong hands, be a danger to world peace.

With spies, undercover agents, mysterious brokers of evil, love and intrigue, cloak and dagger, twists and turns the show will be fun to watch.

Can Biggles save the day?

Tickets will go on sale from September 12th via McKinlays Estate Agents in Axminster.

Watch this space for further details.

Solo wildlife art show

ART

ARTIST Linda Wilkes is to stage a solo wildlife art exhibition at The Halt Gallery, Pecorama, Beer.

The two-day exhibition will run on Wednesday, September 21st and Thursday, September 22nd.

◆ **ANDY Serkis brings Caesar the ape majestically to life in Rise of the Planet of the Apes, Rupert Wyatt's splendid new film seamlessly melding digital and live action elements**

RISE OF THE PLANET OF THE APES (12A, 104 mins)

MAN learns a harsh lesson about meddling with Mother Nature in Rupert Wyatt's splendid new chapter in the Planet of the Apes saga, based loosely on the novel by Pierre Boulle.

Drawing elements from different films in the original series made famous by Roddy McDowall, Kim Hunter and Charlton Heston, Rise of the Planet of the Apes takes advantage of the latest technological wizardry to deliver a thrilling action adventure that doesn't skimp on heart-breaking emotion.

It's all a far cry from Tim Burton's abortive 2001 remake of the original film — a creatively ambitious but structurally muddled folly doomed to failure the moment Mark Wahlberg was cast in the lead role.

Wyatt orchestrates some breathtaking set pieces, including a climactic scene of apes on the rampage in San Francisco that unfolds at dizzying speed, seamlessly melding digital and live action elements.

However, beneath all of the pyrotechnics, there beats a human heart, not least in the character of Caesar the ape, brought majestically to life by actor Andy Serkis using the same motion capture technology as Gollum in The Lord of the Rings.

Thankfully, the film-makers haven't opted to needlessly release the film in 3D to hike up ticket prices.

Will wonders never cease?

Scientist Will Rodman (James Franco) is determined to find a cure for Alzheimer's, the disease which

has slowly consumed his father Charles (John Lithgow).

Will feels certain he is close to a breakthrough and tests his latest serum on chimpanzees, noticing dramatic increases in intelligence and brain activity in the primate subjects.

However, a high-profile showcase with shareholders goes spectacularly wrong and Will's profit-driven boss, Steven Jacobs (David Oyelowo), demands the project is shut down and the test animals slaughtered.

Will smuggles a baby chimp called Caesar out of the lab and raises the infant with his father.

As the years pass and Caesar blossoms, Will falls in love with veterinarian Caroline Aranha (Freida Pinto), who is stunned by Will's ability to communicate with the chimpanzee, unaware of the animal's history.

Caroline warns Will that he cannot keep Caesar as a pet forever and meddling with nature has repercussions.

Rise of the Planet of the Apes marries present and past, gifting the most iconic line ("Get your filthy paws off me you damn dirty ape!") to Tom Felton, playing a sadistic keeper at the ape sanctuary where Caesar spearheads the uprising.

Scenes between Franco and Lithgow are beautifully judged and the interaction between the two men and the digitally rendered Caesar is surprisingly moving.

Pinto's underwritten role acts as the voice of reason throughout, though her warnings are never heeded.

A coda involving Will's next door neighbour succinctly lays the groundwork for subsequent films.

THE COTLEY HUNT PONY CLUB

National win for Cotley girls

By KATE WILLIAMS

kate@tindlenews.co.uk

THE Cotley Hunt Pony Club is celebrating after its intermediate event team stormed a win at the Pony Club Championships.

Held at Draycott House in Derbyshire, the championships took place between August 13th and 16th and hosted the annual finals for Intermediate and open level club members across five of the major disciplines, including dressage and dressage to music, showjumping, eventing, mounted games and polocrosse.

Teams from all over the country and Ireland were there representing their regions at the national event.

The Cotley team won the Intermediate Eventing Championship on the Tuesday amidst fierce competition.

Team members were Jessica Gundry on Charlton Blue, Layla Felgate on Ricas Moon Shadow, Olivia Benger on Killarney and Sophie Benger on Mr

Monty.

Jessica did extremely well and was placed second individually in her section; Olivia and Layla were both placed eighth individually in their sections.

All four members did particularly well to each produce double clears. Close behind them with a narrow margin were the Taunton Vale Harriers also from Area 15.

Both teams win a training day with three of the country's top riders — William Fox Pitt, Mary King and Harry Meade. The Cotley team also received silver salvers, sashes and saddle cloths.

Cotley also put forward an open dressage team which came 10th overall. The team consisted of Jessica Gundry on Charlton Blue, Olivia Benger on Killarney, Alice Sopwith on Cybil and Kate Sopwith on Wincey Jack. Kate was placed third individually in her section.

All the team members were very grateful to Sarah Clist, their team manager, who spent the four days at the championships helping them.

AXE VALLEY BOULES LEAGUE

Golden Hind B Retain Title

GOLDEN Hind B clinched the Division 1 title for a sixth successive year, after a 4-1 victory over Ship Castaways put them in an unassailable position.

Lamb's defeat at Beer Club also guaranteed that they finish in the last spot, who joins them in Division 2 next year is still a battle between half a dozen teams.

In Division 2, the top two teams both won 5-0, to take the title race to the wire. New Inn's match at Royal Clarence B next week (whilst Gerrard B have a night off) will be a crucial game in deciding top position.

The top two places in Division 3 look to be going to Royal Clarence B and Harbour Fourplay, but with at least one extra promotion place up for grabs, it's still all to play for.

Results:

Division 1: Beer Club 4 Lamb 1; Harbour A 2 Whitford Warriors 3; Golden Hind B 4 Ship Castaways 1; Axe Cliff A 4 Kings and Queens 1; Kings Arms A 3 Colyton FC 2.

HONITON GOLF CLUB

Sparkling results at popular RAFA Open

RAFA Open

THE club has a long and proud relationship with the RAF Association and the open which Honiton Golf Club hosts for it is always very well attended.

As usual, the course was in immaculate condition, the prize table heaving and expectation was high. But also, as usual, the course was able to protect itself very well except for those few who had sparkling results.

Winners on the day were Mike Williams, of Honiton, and his partner, Chris Baker, of Filton, who racked up a very tidy 43 points.

Honiton's own Steve Charlton and John Barker were second with 42 points ahead of Larry St Croix and Paul Adams, of Torquay, on countback.

Tuesday Mixed

The Steele Perkins Memorial Trophy — Individual Stableford was Tuesday's format.

The winner, who recently celebrated a special birthday, was Cyril Dann with an excellent score of 40 points. Second was Sally Chapman with 38 points. Third with 36 points was Mike Watts. Fourth was Rosemary Whiteley with 34 points. Only one 2 was recorded — on the seventh hole by Graham Burch receiving 26 balls.

Ladies' Section

Wednesday's competition was definitely a game of two halves, and if any players were lucky enough to get out early they managed to finish dry.

But for those not so lucky, it was a long haul back to the clubhouse in

◆ MIKE Williams and Chris Barker with Club Captain Tim Avery

horrendous weather.

High scores were not the order of the day and the scratch was increased accordingly.

First and second in Silver Division were Diana Gee with 35 points and Sue Ritchie with 32 points. Rosemary Greenhorn held first place in Bronze 1 Division with 34 points, while Catherine Doherty made a close second on 33 points.

But in Bronze 2 Division one player was definitely not daunted by the

dreadful conditions and stormed home to win with an incredible 40 points. Step forward Lesley Oxenham.

Avril Shepherd was second on 35 points and Pam Greenaway came in third with 28 points.

Seniors' Section

Heavy rain forced the eventual abandonment of the Longhurst Cup last week but better weather and an

improved performance resulted in two wins for Honiton in matches. Led by John Discombe, a 4-2 win over Tiverton completed the double for the home side. The team of John Discombe, Ben Laite and David Ive also represented Honiton Seniors at the annual Stan Setter Salver competition played at Downes Crediton. A relaxed day with one score to count produced a nett score of 63, just missing first place on countback.

AXE CLIFF GOLF CLUB

Visitors find inter-club match going tough

Seniors' Section

ON Friday, the seniors entertained Wheathill GC in the first inter-club match between the respective clubs.

The visitors found the going tough gaining only one halved match, although two others were closely contested.

They will be hoping to avenge this

five-and-a-half defeat in the return match in October, the final match of the season.

Winning pairings for Axe Cliff included Peter Knighting and Martin Wallbank; Rob Grove and Chris Walker; Tony Strong and John Mant; Jack Bannister and Morrison Brown; Alan Vincent and Derek Williamson. The half-point was won by Mick Tomes and Bob Flay.

The ladies enjoyed a friendly at Axe Cliff against Taunton Vale last Monday when they were the winning team. Winning pairings for Axe Cliff were Margaret Brown and Chris Drew; Helen Gaudie and Hazel Williamson.

Wednesday, with conditions extremely windy on the cliff edge, the ladies competed for the Lorraine Cup, open to all ladies who had won a

medal during the last golfing year. The winner of the cup was Sandra Walker (16) with a nett 68 bringing her handicap down to 14.

Main Club

This Sunday was the President's Prize. In first place was Trevor Part (14) with an excellent 41 points, second Simon Palmer (17) with 40 points and in third place Richard Orsman (18) with 38 points.

FENITON BOWLING CLUB

Mixed team lose close match against Belmont

THE mixed team lost a close match at home against Belmont by 62-66.

The winning rinks were Les Crook, Frank Jones and Jo O'Sullivan 18-8; John Dibble, Glynda Blackmore and Ian Veitch 16-15.

In an evening match away against Culm Vale, they recorded a comfortable victory by 105-85. The winning rinks were Di Phillips, Graham Phillips, Ruby Veitch and

Jim Skinner 25-13; Frank Brooks, Eddie Cox, Les Ley and Sue Kury 26-21; John Dibble, Anita Pritchard, John Rolph and Lyn Eveleigh 16-13; Norma Cox, George Skinner, Martyn Eveleigh and Ian Veitch 22-21.

The following day the club entertained a touring side from Hedge End. In a rain-affected match played in a good spirit, the home side won by 117-100. The winning rinks were Frank Jones, Judy Smith, John

Rolph and Tony Kury 26-11; Gill Smith, Martin Mitchell, Lynda Dommett and Andrew Evans 26-15; Norma Cox, Eddie Cox, Graham Phillips and Don Conbeer 20-13; Di Phillips, Tony Young, Mike Chipperfield and Roger Smith 20-14. Unfortunately, they lost against Phear Park by 61-82.

The winning rinks were Les, Crook, Anita Pritchard, Les Ley and Lyn Eveleigh 28 -13; Di Phillips,

Eddie Cox, Tony Young and Dick Arundell 20-13.

At the weekend, Feniton enjoyed completing the double over Tiverton Borough winning by 108-97. The winning rinks were Norma Cox, Graham Phillips and Roger Smith 22-6; Frank Jones, John Livings and Sue Kury 23-17; Ted Goodenough, Judy Smith and Jim Skinner 14-12; Di Phillips, Robin Cooke and Tony Kury 18-17.

HEMYOCK BOWLS CLUB

A REARRANGED President's Trophy match, played at home, produced a good result for the Hemyock bowls ladies.

A win on both rinks against the visitors from Bradninch gave the home team the maximum six points. Rink 1: Skip S Phillips, E Whitear, S Featherstone 23-18.

A very competitive game but a six scored on the 13th end gave Hemyock the edge.

Rink 2: Skip P Gale, J Summers, S Risdon 23-10.

Hemyock scored on the first three ends and then stuck on three shots for the next six ends while Bradninch made good progress.

Then fortunes changed and the Hemyock ladies scored on eight of the remaining nine ends.

There were mixed fortunes with the men's Over-60s last two team games.

A win at home against Topsham secured six points to two, but Hemyock lost to Madeira B on both rinks by a total of nine shots, giving away eight points.

However, with only one game left to play, it has been calculated that Hemyock will be second in the league table and will be promoted to Division 1 next season.

Hemyock have also done well in the Two Counties (TC) League.

Having played the last two matches against Ottery St Mary, and now Seaton, it is clear that they are the winners of the Devon Section and will be in the final against Somerset.

Hemyock v Ottery St Mary at home winning two rinks each with overall shots 93-70 to Hemyock:

Rink 1: Skip J Bendle, S. Featherstone, G Chown 32-22. Rink 2: Skip R Smith, J Day, S Risdon, M Broderidge 29-11. Rink 3: Skip J Alford, C Risdon, P Gale, S Cridland 18-19. Rink 4: Skip S Phillips, F Chown, K James, T Wedgwood 14-18.

Hemyock v Seaton away. Two rinks each but a Hemyock win of just one shot: Rink 1: Skip R Smith, T Wedgwood, K James, M Broderidge 17-13. Rink 2: Skip J Bendle, T Drawert, S Featherstone, G Chown 15-16. Rink 3: Skip D Edworthy, F Chown, P Gale, M Dear 26-10. Rink 4: Skip S Phillips, C Risdon, B Tennant, S Cridland 20-28.

The final TC match at Culm Vale was a bit of an anticlimax, but nonetheless played in a very competitive atmosphere.

The game was lost overall by 18 shots although two each on rinks.

LYME REGIS WINTER CRIBB LEAGUE

LYME Regis Winter Cribbage League has announced its fixtures for the first week of the new season.

New Inn Kilmington A v Axe Valiants; Ship Lyme Regis v Nags Head Lyme Regis; Beer Club v Stepps; Lamb Swans v Rocky II; Royal Oak Charmouth v New Inn Kilmington B; Axminster Con Club v Gerrard Arms.

Correction

LAST week's Axe Valley Runners Dalwood Fayre 10k report, sent by the club, contained a mistake.

We have been asked to point out that Alexandra Cuts, and nobody else, was the second lady to cross the finishing line, in a time of 47 minutes.

AXMINSTER TOWN CRICKET CLUB

1st XI v Chudleigh (away)

IN somewhat damp conditions, Chudleigh were asked to bat and found runs hard to acquire against the varied Axminster attack.

After the first 24 overs they had struggled to 50 against Joel Seward and Mark Richards (2-29) but eventually reached 174 - 7 at the interval.

Gary Larcombe (3-44) and Nick Taylor(2-42) were the other wicket takers.

The Axminster reply was in similar vein and although they lost early wickets it was a stand of 60 between Joel Seward(36 not out) and Tristan Wakeley (40) that took them to the thought of a possible victory.

However, with the loss of Tristan the Chudleigh leg spinner, Gouws removed four Axminster players in the space of two overs and they were left struggling to avoid defeat. Nick Taylor, dismissed with the last ball of the game gave Joel enough

support to see his side pick up a couple of valuable points from the draw. Axminster are left with the need to pick up four points in their final game against high flyers South Devon at Cloakham next week to secure B division cricket next season.

2nd XI v Ivybridge (Cloakham)

Opening bat K Sexton with a hard fought 75 not out was the mainstay of the Ivybridge batting with J Wakeham giving good support but also aided again by the Axminster bowlers giving away some 50 wickets! The Axminster reply ended on 178-8. Following the loss of Steve Reed (38) at 74 the middle order disappeared and it was eventually left to young Max Felgate (38 not out) and Tom Maxwell (25not out) to take the side safely to the draw on 178-8 with an unbroken partnership of 50.

3rd XI v Exmouth 3rd XI no play due to bad weather.

SOUTH WEST PENINSULA

By **KEVIN FAHEY**

sport.pulmans@tindlenews.co.uk

Division One (East)
Axminster Town 1
Sidmouth Town 4

TWO defeats and 11 goals conceded is not the start any club would wish for to a new season but Axminster Town boss Ray Self confidently believes he can restore the good times to Sector Lane.

Self is not a man to dwell on the mistakes of the past preferring to accentuate the moves that are being made to ensure that the Tigers can not only just survive in the South West Peninsula League but also prosper.

Self said: "We are now concentrating in rebuilding a young team and taking a long-term view about the development of the club."

"It is going to be tough and I am trying to get in one or two extra players to strengthen the squad but I am confident we can put together a strong team that will be good enough

for this league."

A much-changed Crediton Town beat Axminster 7-0 the previous week but Self saw a big improvement against Sidmouth and said the scoreline flattered the winning side.

Self added: "I wouldn't say we deserved to win but neither did we deserve to lose 4-1.

"We conceded some bad goals as our preparations for the season fell a bit short and we also lacked a cutting edge in and around the box but hopefully we can improve on both areas."

Fullback Danny Beer broke forward well to score when Axminster were already trailing 3-0 but any hopes of a comeback were quickly dispelled.

Self will be hoping for signs of further improvement when they take on the University tomorrow night.

**Ottery St Mary 1
Budleigh Salterton 1**

A disallowed Chris Belston goal and a controversial penalty proved the crucial moments in this game that slipped from the Otters' grasp.

Ottery St Mary manager David Weeks groaned: "We were 1-0 down and then Chris scored a perfectly good goal that was ruled out for off-side."

"That would have made a difference especially as soon after Budleigh were awarded a penalty that never was and suddenly we were 2-0 down when it should have been 1-1."

Weeks admitted his side were below par in the first half and didn't really start playing until after the break. But by then the game was lost as Budleigh had struck again before half-time and then made it 4-0 early in the second.

Belston grabbed a consolation goal and while defeat was disappointing Weeks was not down-hearted and will be looking for an immediate response when they side face Sidmouth Town tonight (Tuesday), kick-off 6.30pm.

Weeks added: "We have a good group of lads here, who are all local and want to play the game the right way."

"I think everyone in the club is pulling in the right direction and the aim is to restore the reputation of the club and enjoy their football again."

PROMOTION IS WITHIN GRASP

Just four points between Ottery reaching club's highest level

*Devon Cricket League,
 D Division*
 Ottery St Mary (20 points)
 beat Whimble (1pt) by eight
 wickets

OTTERY St Mary go into the final game for the season needing just four more points to secure promotion into the Devon League C Division.

Only struggling Whitchurch stand between Ottery and their prize of reaching the highest

level of league cricket in the club's history, a success that would cap a tremendous season for the club with the second team having already secured promotion.

Ottery skipper Jody Clements said: "I think, technically, we only need three points to go up but four would make it absolutely certain."

"We are going to put our strongest possible side at Whitchurch because they are fighting against relegation so we won't be going there expecting an easy game. But hopefully next Saturday evening we will be returning to

the club with something to celebrate."

Ottery ruthlessly brushed aside Whimble on Saturday to claim a maximum 20 points for the second successive week and but for closest rivals Feniton also winning promotion behind league champions Ipplepen would already be theirs.

Nonetheless, Ottery did what they had to do and Rob Johns can take much of the credit with a superb spell of bowling as he claimed 4-13 off 11.3 overs as Whimble were skittled out for just 71.

Clements added: "We knew once we had got their top order

out they might crumble and after having them at 49-4 that is what happened."

Mark Woodman chipped in with 2-31 while Rob Crabb polished off the tail to finish with 3-3 of just three overs.

In reply, Ottery started nervously and lost two quick wickets but they were not about to throw away victory and a dogged 44 not out from opening batsman Sam Tennant and 22 not out from John Pritchard steered the side to a comfortable win.

Clements said: "Now we just need to finish off the job on Saturday."
